*Dear **KOLKATA GREEN BOOK** Users,*

*It gives us immense pleasure to present you the second edition of the Kolkata Green Book. This time, we are doubly overwhelmed by the response and support of our advertisers, since they have received good response from the market and customers, which in turn has increased their business volume by manifolds. It gives us great satisfaction and confidence to know that Kolkata Green Book has been able to generate an enormous number of positive inquiries for its subscribers. Truly, advertising in Kolkata Green Book has proved to be worth the value for money.*

*We convey our heartiest congratulations to the advertisers and users of the directory. We are highly grateful and indebted to them for their support.*

*A key feature is the 41 page City Guide along with maps of Kolkata and Salt Lake. The detailed entries on a number of heads like the Emergency and Utility Services, Transport etc. along with other important information, will enable you to access it accurately and to your satisfaction.*

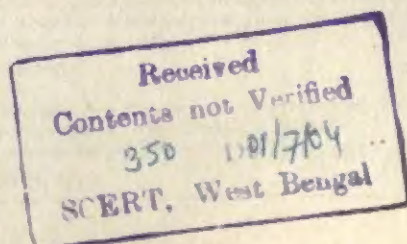

*We are doing our best and using our expertise and utmost sincerity to enable the users derive reliable and correct information.*

*We are pretty sure that this second edition, like the earlier one, will cater for a wide range of inquiries, which will certainly enhance & boost the business of our customers. We trust and sincerely hope that you will find this new edition of Kolkata Green Book informative, useful and very much to your liking.*

*Wishing you and your families a happy and prosperous Bengali New Year.*

## *Inks that impart an exciting dimension to packaging*

**A captivating collection of  
Liquid / Offset / Screening inks  
from Hindustan Inks**

**We are Hindustan Inks & Resins Ltd. (HIRL). A part of the \$250 million Bilakhia Group, which has diverse interests in Printing Inks, Resins, Flushed Pigments and Crop Protection chemicals.**

**Incorporated as a company in the year 1991 HIRL has achieved leadership status in a very short span of time. Today, we are the largest manufacturer of printing inks in India with multi-locational plants. The creator of a mega single-stream plant for 'seamless' manufacture of inks. We have implemented SAP R3 Solutions to optimise System in all areas of operation and market information. Recently we have invested over US \$30 million in the creation of world size capacities for Printing Inks, Resins, Flushed colors and Alkali Blue in India.**

**With Our technological strengths, we aim to**

**become a global player in the inks and its ingredients industry.**

**HIRL recently established Micro Inks Corporation, a company in Chicago, USA, where it manufactures a variety of inks to cater to the large US market. This venture has proved**

**hugely successful with the company making decisive strides and is all set to be amongst the top five players in the UK ink industry soon.**

**At HIRL, our quest is total customer satisfaction. We therefore, are looking for ways**

**and means to delight our customers. Our extensive research and the foresight to match every possible printing need, has resulted in a wide product range. But this is not all. To meet every demand of a valued and discerning customer like you, we promise to continue enhancing this range.**

PROCESS COLOURS

## NEW GENERATION ECO-FRIENDLY PRINTING INKS

**SAVANNAH** is a 4th generation research product.  
It fulfills the need for high gloss, prolonged 'duct-fresh'  
properties for sheetfed printing jobs.

- Superior tack stability • High colour strength • Scuff resistance • Prints well on different papers – matt or gloss coated paper • Good UV or Aqueous varnishability • Press ready, performs well with a wide range of fountain solutions • For solvent or water based lamination, check with Coates technicians for assessing paper, print conditions and quality of laminating varnish.

## PLACES OF INTEREST IN AND AROUND THE CITY

### Academy of Fine Arts

Situated on Cathedral Rd., collections include contemporary Indian art, Tagore's original paintings, manuscripts and personal belongings. The academy runs an artist's studio and there is constant cultural activity and art exhibitions in its various galleries. Timings of art galleries Tue-Sun 12 noon to 8 p.m. Mon Closed.

### Agri-Horticultural Gardens

It is situated in Alipur, adjacent to Kolkata Zoological Garden. No entry fee. It was founded in 1820 by William Carey. A varied collection of botanical varieties with facilities for gardeners and plant and flower lovers.

### Bakkhali

Bakkhali in the 24 Pgs.(S) district is 132 kms from Kolkata on the east side of the Hooghly. It has a long sandy beach, an ideal gateway from the hustle and bustle of Calcutta.

### Bandel

43 km. from Kolkata and North of Hooghly. Bandel is a tourist destination for its churches and monasteries built here by the Portuguese in 1599, destroyed 40 years later with the British takeover, and rebuilt a few years later.

### BBD Bagh (Dalhousie Square)

In 1885 when Queen Victoria took over the administration of India from the East India Company, Kolkata became the capital of British India. Dalhousie Square renamed Benoy-Badal-Dinesh Bagh after the three martyrs of Bengal is in the heart of the city. On the north side of the square lies the huge Writers Building, originally built as the residence of the writers or clerks of the East India Company and now houses the Secretariat of the Government of West Bengal. To the west, the Kolkata GPO and to the east is the WB Tourist office, to the south is the Raj Bhawan, built in the Georgian style.

### Belur Math

3 kms. from Dakshineswar, on the west bank of the Hooghly, is the headquarters of the Ramakrishna Mission, Belur Math, which has more than 100 centres in India and abroad. It represents a church, a mosque and a temple and the peaceful atmosphere pervades your whole being. Timings daily : 6.30 a.m. to 11 a.m. and 3.30 p.m. to 7 p.m.

### Birla Academy of Art and Culture Museum

Located near Rabindra Sarobar, collections include paintings of the mediaeval period as well as modern art and some archaeological specimens.

### Birla Industrial & Technological Museum

A permanent exhibition of industrial and technological progress of India. A seat of learning modern science and technology for students, research scholars etc. It has a workshop which designs and produces much of its exhibits. It is open everyday (Except Monday).

### Birla Planetarium

One of the largest in the world. Regular astronomical shows are presented here with commentaries in English, Hindi and Bengali. Timings : Hindi 12.30 p.m., 2.30 p.m. & 4.30 p.m. , English 1.30 p.m. & 6.30 p.m. , Bengali 3.30 p.m. & 5.30 p.m. Extra shows on Sun & holidays. Hindi 10.30 Bengali 11.30 p.m.

### Chandannagar

37 km north of Kolkata, on the banks of the River Hooghly. It was one of the fresh enclaves of the French in India and has churches, convents and crumbling building dating back to that era.
